

## SEPA DISQUALIFIED REASON CODES

Effective April 1, several changes will be made, affecting FS SEPA.

- ◆ DQ-AB can't be entered for the benefit month of 03/09 and beyond.
- ◆ DS-AB can be entered for the benefit month of 03/09 and beyond.

Note: There may be individuals already coded DQ-AB for the benefit months of March 2009 and beyond. When FS SEPA is accessed, the current error message INVALID DQN REASON CODE will display. The invalid DQ-AB code can then be changed to DS-AB or any other valid participation code.

## SEPA ONLINE HELP
